To Whom It May Concern

Berlinwasser International A.G. is an international corporation, currently operating in Albania under the Performance Based Management Contract of four Water and Waste Companies in Albania (Durrës, Fier, Lezha and Saranda.)

The Accounting and Billing System is Project financed by World Bank's Loan and administered by Berlinwasser International. It covers Supply of Software Application, Installation and Training for four Water and Waste Companies in Albania (Durrës, Fier, Lezha and Saranda).

During the implementation of the project Komtel Project Engineering has shown high level of knowledge, professionalism, technical capabilities and readiness to support the clients.

Based on previous, we can recommend to all interested parties company Komtel Project Engineering as company devoted to work, quality and satisfaction of customer's requirements.

Please feel free to contact us for any further details or information.

Yours Sincerely,

Richard Pope,
